

REQUIREMENTS

AUDIO & VISUAL REQUIREMENTS

Here you will find Dr. Anthony Rhodman's requested lighting, stage, and AV setup that is most preferred while speaking. This setup is not required for the event but is HIGHLY recommended.

EQUIPMENT

- Wireless lavalier microphone + spare battery
- Handheld microphone + spare battery
- LCD projector + screen (if Dr. Rhodman is using a slide deck for presentation)
- When recording, professional house lighting is required. Dr. Rhodman may prefer handheld or lavalier for presentations.

ROOM SETUP

Conference / Auditorium Style:

- Appropriate for short presentations or larger groups of 40 or more that do not require extensive note-taking

Classroom / Banquet Style:

- Appropriate for groups fewer than 40
